

Club Soba, in affiliation with Soba Living, is a 24 hour a day, seven days a week sober club where members hang out in a supportive, safe and secure sober environment. The club is managed by residents and staff of Soba Living.

Most importantly, Club Soba offers a place for people to go and be with other clean and sober members of the program.

Club Soba offers Twelve Step Meetings, sober anniversary parties, birthday parties, holiday gatherings, cook-outs, karaoke, fund raisers, live entertainment, planned events, sporting events, fishing trips, concerts and local tours. In Club Soba, members can enjoy a billiard table, a ping-pong table, plasma television with cable, beach parking, wireless internet, music entertainment system (indoor and outdoor), and a patio with a big screen TV. Public beach access is located directly across the street from the club. Our events feature catered foods, bbq, valet services, and totally private events only available to members.

a lifestyle

The mission of Soba is to provide a safe, transitional, sober environment aiding in establishing a strong foundation in recovery. It is home to those women and men who already have a basic foundation in sobriety, yet feel they need additional support. This experience will teach life skills and assist residents to stay on track to become responsible citizens of the community. The rules of conduct include abstinence from all forms of drugs and alcohol, mandatory morning reflections, twelve-step meetings, and nightly curfew, combined with a social model style of living where upon residents are responsible for their personal space as well as common areas of the property. We believe all people need to have purpose and need to be productive to achieve personal success. We also believe healing relationships with family and friends is an important part of the recovery process and long-term success. Soba Living works with residents to heal relationships, and grow personally, professionally, and spiritually. Soba has a number of locations in order to help each unique person the best we can.
